### **Two families of new members:**

Ren and April Drake with their 1984 Bronco rejoined us after an absence of about eight years in Arizona. They return from Bullhead City with Jamie, Rylin and Dylan in tow.

Clinton and Kellie Anderson join us with Shelby and Rayna from Cheyenne, WY. Retiring from the Air Force the family has come home to play!

**Congratulations and welcome home.**

### *Gaggle of Jeeps*

The first run in 2010 and the rest of the year looks as busy as the last. January 1st was damp and chilly but we warmed by the fire that Clint Anderson and Lolli had going at the sled hill.

Almost every run is ended with pizza. The hangover run was no exception. We aired back up and headed to Abby's, finishing off the Hangover Run of 2010. Thank you Travis you lead us on a great run.

*Clinton Anderson and his TJ are left and Beau Phillips and his CJ 5 are on the right.*
