TREKTOP™ NX PLUS™

TREKTOP® NX PLUS™

- The best-selling Trektop NX just got even better.
- Run it as a fully-enclosed, all-season soft top or remove the sides and rear window and enjoy it as a bikini. Options for a variety of window configurations.
- Easier-than-ever access to sunshine: new Sunrider™ design allows the top to open from inside the vehicle. Sunrider™ hardware is made of high-strength steel and engineered thermoplastic polymer.
- Improved fabric positioning and tension with the Bestop F.I.T. System (Fabric Install & Tensioning System) on 4D models.
- Hybrid zipper/zipperless design utilizes patented zipperless technology to allow for easy removal of window panels. Zippers on rear panel provide security and easy changes in configuration.
- Kit includes: soft top fabric, factory-style door surrounds, tinted and replaceable windows, integrated header, tailgate bar and Sunrider™ feature.
- Works with all factory full and half steel doors as well as Bestop door kits (sold separately).

Sunrider panel provides zippered, mesh pockets for small gear items.

Zipperless technology used in key areas to improve fit and installation.

Use of tailgate bar and clips allows hassle-free opening of tailgate.

OE style door surrounds allow easy installation and operation – all hardware included.

Sailcloth

- Tough, 28oz multi-ply, premium grade sailcloth material offers OEM quality noise reduction and insulation for a comfortable driving experience.
- Tinted, removable windows are DOT-approved and have a thickness of 30 mil.

Black Twill

- Ultra-premium 30-oz triple-layer Black Twill fabric has superior durability and is featured on high-end sports and luxury cars like BMW® and Rolls Royce®.
- Black Twill fabric is elegant, smooth and wrinkle-resistant. It contains no PVC's, is easy to clean, and is more flexible with a softer feel and superior cold-weather performance than sailcloth fabric.
- Industry-leading 40 mil, DOT-approved vinyl side and rear windows have 31% tint to help keep interior cooler in warm weather.
